

**CARLYLE SHEPHERD & CO.**

**CHARTERED PROFESSIONAL ACCOUNTANTS**

*We have made it our business to serve Northwestern BC organizations for over forty years*

**What are we after?**

We are looking to hire a motivated CPA trainee with an appetite for learning, the ability to manage and cope with multiple tasks and the desire to live in picturesque Northwestern BC.

The role is in our Terrace office and some travel is required.

**Who are we?**

Carlyle Shepherd and Co. is an established, full-service accounting firm that serves communities in Northwestern BC and beyond through our four offices in Smithers, Terrace, Kitimat and Prince Rupert.

**What we offer?**

A hands-on training experience where the successful candidate will have the opportunity to learn from the skills and knowledge of an office full of experienced, qualified accountants.

We understand that training takes time, effort, and sometimes frustration but we have a great mix of assurance, tax and accounting clients that will give the successful candidate exposure to everything necessary to become a well rounded-accountant.

There are also opportunities in our firm post-qualification and, in our experience, many who've joined us as trainees are still with us today.

**What to do if you are interested?**

Please send your cover letter and resume to Steve Kietzmann at [steve@cs-co.ca](mailto:steve@cs-co.ca) or drop them off in person if you are in Terrace (Second floor, 4544 Lakelse Avenue – next to National Car Rental).
